

WE CAN  
**MAKE A  
DIFFERENCE**

*together*

**OUR MISSION**

Dementia Society of America is your leading volunteer-driven, all-Dementias nonprofit organization in the United States. Our mission is to enhance the quality of life for those living with Dementia, their caregivers, and the community at large through: education; life enrichment programs; and recognition of superlative care, research, and innovation.

*...we know you matter<sup>®</sup>*

**GET INVOLVED!**

Your contribution of time, talent and more can change the lives of all those impacted by Dementia.

**What is Dementia?** Simply put, Dementia is an umbrella term, like cancer. It covers a wide spectrum of conditions and diseases. Dementia affects two or more areas of brain function like: memory, decision making, behavior, or motor skills, etc. Memory loss alone is not considered having Dementia.

**Dementia vs Alzheimer's?** There are many forms of Dementia, and Alzheimer's is considered one of the more common types. However, not all Dementias are related to Alzheimer's disease.

**Can I prevent Dementia?** Some rare forms are inherited and a few others may be reversible. But most are progressive and cause death. Many believe there are ways to reduce your risks. It's good to keep learning, be curious, and protect your brain health daily.

Note: we do not provide medical advice, please consult your doctor.

- › Support groups, therapists & more

Your results are tailored to be close to where you need them most.

Note: we do not endorse any companies, organizations or individuals.

# Ginny Gives®

PDF FOR REFERENCE ONLY– DO NOT REPRINT

Dementia Society of America believes in the power of music, art, dance, movement, touch and many other life-enriching therapies and experiences to reach those living with Dementia deeply.

We established the Ginny Gives Program, which provides grants to help underwrite, promote and further these types of quality-of-life activities. We invest in the here and now, in the hope of creating a better today and tomorrow.

Do you want to bring one of these programs to a Dementia community near to where you live or work? Let us know. Please call us or go online to [GinnyGives.org](http://GinnyGives.org).
